

# FROZEN CAVE

Place

You have entered a cave that is covered in ice and full of skeletons.

Roll 1 die:

- 1) Lose 1 life
- 2-3) Attacked by a Skeleton (Strength: 6)
- 4-5) Lose your next turn
- 6) You've found something!

Take a random card from the Artefact deck. The Cave then collapses into the discard pile.
